

[Lyrics Photograph R.E.M.](#)

music too, a standard tune by  
some forgotten big brass band.

From the threshold what's to see  
of our brave new century?

The television's just a dream,  
the radio, the silver screen.

A big smile for the camera,  
how did she know?

the moment could be lost forever  
forever more

Was her childhood filled with rhymes.
